

May 15, 2023

Dr. Hope Wright
Volunteer State Community College
1480 Nashville Pike, Warf Building Room 100A
Gallatin, TN 37066

Dear Dr. Wright:

Congratulations! At its April 27, 2023 meeting, the AVMA Committee on Veterinary Technician Education and Activities (CVTEA) **granted continued full accreditation** to the Volunteer State Community College veterinary technology program after deliberation of the report of evaluation from the October 12 – 13, 2022 site visit and post site visit response.

A final copy of the report of evaluation is included and available in the CVTEA Accreditation Portal by Armature (Armature). Included below is a summary of critical and major deficiencies with details regarding future reporting requirements. After consideration of the documentation provided, the Committee has determined that continued reporting is required on the following deficiencies (see chart(s) below):

Critical deficiency(ies): None at this time

Major deficiency(ies): None at this time

The next report will be due Spring 2024 (April 15, 2024). A reminder will be sent out approximately 2 months prior to the due dates. The next full accreditation site visit is scheduled for 2028.

Per the *Policies and Procedures of the AVMA CVTEA*, documentation of progress toward compliance with critical and major deficiencies must be included in the program's report to CVTEA. Insufficient progress toward meeting deficiencies may be considered cause for change in the program's accreditation status.

If there are any changes that impact critical or major deficiencies that the CVTEA previously determined do not require continued reporting, the program must report this change.

Congratulations on maintaining accreditation. On behalf of the evaluation committee, thank you for the courtesy and hospitality shown during the virtual site visit. If you have any questions, or if staff may be of assistance in the preparation of your next report, please do not hesitate to contact staff (Julie Horvath; jhorvath@avma.org).

Sincerely,

Ms. Kelly Foltz, BA, LVT, VTS (ECC), CVTEA Chair
AVMA Center for Veterinary Medical Accreditation

CC: Dr. Orinthia Montague, President (Orinthia.Montague@volstate.edu)

Volunteer State Community College ROE 2022 CRITICAL DEFICIENCY (IES) Critical deficiencies apply to situations that clearly result in a program's inability to meet a Standard, and/or subject students, faculty, or others to unacceptable levels of risk. Documentation of significant progress toward compliance with each critical deficiency must be achieved by the time of the program's next report to CVTEA. Lack of compliance may be considered cause for a change in the program's accreditation status.		
#	Critical Deficiency Description <i>It is critical that:</i>	Deficiency status (Met, Unmet with continued reporting)
1.	The Program not utilize the surgery room for dentistry procedures to eliminate potential pathogens and to emulate contemporary veterinary practice standards. (4b, 4e)	Met; 4/2023
2.	Documentation be provided that the Program has implemented a comprehensive rabies mitigation protocol for students who waive the vaccine to address all elements as described in the CVTEA <i>Statement on Safety</i> , Appendix A. (4e)	Met; 4/2023

Volunteer State Community College ROE 2023 MAJOR DEFICIENCY (IES) Major deficiencies apply to situations that jeopardize the ability of the program to meet a Standard. Progress toward meeting each major deficiency must be demonstrated on an annual or biennial basis. Documentation of steps taken toward compliance with major deficiencies is required. Lack of compliance within the assigned five- or six-year period, prior to the next scheduled complete evaluation, may be considered cause for a change in the program's accreditation status.		
#	Major Deficiency Description <i>It is required that:</i>	Deficiency status (Met, Unmet with continued reporting)
1.	Medical records include dosage or concentration of medications to be consistent with best veterinary practices. (5d)	Met; 4/2023
